### About This Game

Play through cool Match 3 levels, collect Santa's coins and prepare the best Christmas fair ever!

Tricky obstacles await. Snow has covered everything and locked doors block your way. Use the new Magic Wand power-up to overcome these difficulties and blast through the puzzles.

Help the Elf to prepare your town for Christmas with beautiful ornaments and decorations!

Build cafes and shops, decorate the fir-tree and town hall, get beautiful ornaments, illuminations and ice sculptures to create the real Christmas spirit. And don't forget about free donuts to lure some cops and ensure safety!

Have a fantastic Christmas Puzzle holiday!

- Nice town to decorate
- Exciting levels with new obstacles
  - Fantastic soundtrack
- New bonuses and power-ups

Fun Christmas game, probably the best of all 3 games released so far. The game can get buggy if you try playing widescreen (3440x1440) as it's made originally for much smaller screens. However the bugs and glitches go away if you play in small screen mode. Not as appealing graphically but it gets around the problems.

Still a fun, festive time waster to pass those cold snow days.. Fun Christmas game, probably the best of all 3 games released so far.
