The screenshot shows the Driver Navigator software interface. At the top, there is a blue header with the text "DRIVER NAVIGATOR" and three buttons: "Scan", "Download", and "Settings". Below the header, a red banner reads "Attention Found 2 devices have new drivers". On the left, a panel shows "Devices need updated drivers : 2" and "Devices missing drivers : 0". Below this, it says "Devices scanned : 48" and "Scanning time : 18.9". The main area displays a list of device categories with their status: Storage controllers (warning), Network adapters (warning), Batteries (warning), Microsoft AC Adapter (checkmark), and System devices (checkmark). A yellow "Get Drivers" button is at the bottom right. The footer contains navigation links: "Scan Devices >> Review new drivers >> Install drivers" and buttons for "Register", "About", and "Help".
