S. K. Ali: Saints and Misfits before purchasing it in order to gage whether or not it would be worth my time, and all praised Saints and Misfits:

2 of 2 people found the following review helpful. A very important and relatable story that's hard to put down.By Quinn IngerI've been following this YA on Twitter for a hot minute and loved the preview chapter. I immediately ordered it and am finally reading the rest (about halfway through now, but at some point I'll have to stop and get work done, lol)! I'm hooked. Janna is such a recognizable and lovable characters. We feel /with/ her (which is just about the only thing that gets me through any full book). It's really a wonderful story for people of all backgrounds -- even
