Podcast In-App Offers

Powered by Streaming Ad Insertion

Listeners can now redeem offers in-app when the time is right for them.

We're launching new visual reminders like an offer card featured on the podcast's episode page.

HOW IT WORKS

1

Listener streams a podcast in a screenless moment (i.e., cooking dinner).

2

Listener hears a compelling offer featured in a podcast ad.

3

Listener later returns to Spotify app, sees visual reminder, and redeems offer.
