## What are your views and experiences of welfare support and sanctions?

- **Are you a lone parent?** (a parent or guardian with a dependent child under 16 who is not in a co-habiting relationship)
- **Do you live in London?**
- **Are you currently claiming Job Seekers Allowance (JSA) or Employment and Support Allowance (ESA)?** (NB ESA claimants must be in the Work Related Activity Group (WRAG))

If so, researchers from Salford University would like to interview you about welfare support and sanctions. We are interested in knowing about your experiences of receiving welfare, any experience or threat of sanctions, any support you have received, and what you think of current welfare policy.

### What is involved?

Interviews will take place in your own area at a time suitable for you. We will ask you about your experiences and views of welfare support and sanctions. We will record the interview if you are happy for us to do so. Each interview will last around one hour. You do not have to talk about anything you don't want to discuss and you can withdraw from the research at any time. Your name will not be used in any published reports and we will not pass your details on to anybody else. You may be interviewed up to a total of 3 times, once each year, for the next 2 years.

**All participants will receive a £20 shopping voucher at the end of each interview.**

**We are conducting interviews in London on Wednesday 8<sup>th</sup> and Thursday 9<sup>th</sup> April.**
