

# Beech and Associates Sampling Method Results

## For the Project: Tree Team for Beech

Method - Taxa - Sampling Site Code and Site Description - Sampling Dates

### beating

#### *Phalangiidae Odiellus pictus ~ - (Harvestman)*

- TreeTeam\_FGBC01 - Approximately 15 meters up-hill from the Southern Flat Creek Trail  
7/16/2011
- TreeTeam\_FGBE04 - Approximately 15 meters up-hill from the Southern Flat Creek Trail  
7/16/2011
- TreeTeam\_FGCC03 - Approximately 16 meters down-hill from the Northern Flat Creek Trail.  
7/30/2011
- TreeTeam\_FGCC04 - Approximately 16 meters down-hill from the Northern Flat Creek Trail.  
7/30/2011  
10/19/2011
- TreeTeam\_FGCE04 - Approximately 16 meters down-hill from the Northern Flat Creek Trail.  
7/30/2011

### by hand

#### *Phalangiidae Odiellus pictus ~ - (Harvestman)*

- TreeTeam\_FGAC01 - Approximately 15 meters down-hill from Appalachian Trail near Indian Gap  
7/16/2011
- TreeTeam\_FGAC03 - Approximately 15 meters down-hill from Appalachian Trail near Indian Gap  
7/22/2011
- TreeTeam\_FGAC07 - Approximately 15 meters down-hill from Appalachian Trail near Indian Gap  
1/1/1111
- TreeTeam\_FGAC08 - Approximately 15 meters down-hill from Appalachian Trail near Indian Gap  
1/1/1111
- TreeTeam\_FGAE05 - Approximately 15 meters down-hill from Appalachian Trail near Indian Gap  
1/1/1111
- TreeTeam\_FGCC02 - Approximately 16 meters down-hill from the Northern Flat Creek Trail.  
7/30/2011
- TreeTeam\_FGCC03 - Approximately 16 meters down-hill from the Northern Flat Creek Trail.  
7/30/2011
- TreeTeam\_FGCC05 - Approximately 16 meters down-hill from the Northern Flat Creek Trail.  
7/30/2011
- TreeTeam\_FGCC06 - Approximately 16 meters down-hill from the Northern Flat Creek Trail.  
7/30/2011  
10/14/2011
- TreeTeam\_FGCC07 - Approximately 16 meters down-hill from the Northern Flat Creek Trail.  
7/30/2011
- TreeTeam\_FGCC08 - Approximately 16 meters down-hill from the Northern Flat Creek Trail.  
7/30/2011
- TreeTeam\_FGCE01 - Approximately 16 meters down-hill from the Northern Flat Creek Trail.  
7/30/2011  
10/14/2011
- TreeTeam\_FGCE04 - Approximately 16 meters down-hill from the Northern Flat Creek Trail.  
7/30/2011

## Method - Taxa - Sampling Site Code and Site Description - Sampling Dates

TreeTeam\_FGCE05 - Approximately 16 meters down-hill from the Northern Flat Creek Trail.  
7/30/2011

### *Sclerosomatidae Leiobunum politum* ~ - (Harvestman)

TreeTeam\_FGAE01 - Approximately 15 meters down-hill from Appalachian Trail near Indian Gap  
7/16/2011

TreeTeam\_FGAE05 - Approximately 15 meters down-hill from Appalachian Trail near Indian Gap  
1/1/1111

## Lindgren funnel trap

### *Phalangiidae Odiellus pictus* ~ - (Harvestman)

TreeTeam\_FGBE05 - Approximately 15 meters up-hill from the Southern Flat Creek Trail  
7/22/2011

## observed

### *Aceraceae Acer saccharum* ~ - (Sugar maple)

TreeTeam\_FGBC02 - Approximately 15 meters up-hill from the Southern Flat Creek Trail  
6/30/2011

TreeTeam\_FGBC03 - Approximately 15 meters up-hill from the Southern Flat Creek Trail  
6/30/2011

TreeTeam\_FGBC04 - Approximately 15 meters up-hill from the Southern Flat Creek Trail  
6/30/2011

TreeTeam\_FGBC05 - Approximately 15 meters up-hill from the Southern Flat Creek Trail  
6/30/2011

TreeTeam\_FGBC06 - Approximately 15 meters up-hill from the Southern Flat Creek Trail  
6/30/2011

TreeTeam\_FGBC07 - Approximately 15 meters up-hill from the Southern Flat Creek Trail  
6/30/2011

TreeTeam\_FGBC08 - Approximately 15 meters up-hill from the Southern Flat Creek Trail  
6/30/2011

TreeTeam\_FGCC01 - Approximately 16 meters down-hill from the Northern Flat Creek Trail.  
7/7/2011

TreeTeam\_FGCC02 - Approximately 16 meters down-hill from the Northern Flat Creek Trail.  
7/7/2011

TreeTeam\_FGCC04 - Approximately 16 meters down-hill from the Northern Flat Creek Trail.  
7/7/2011

TreeTeam\_FGCC05 - Approximately 16 meters down-hill from the Northern Flat Creek Trail.  
7/7/2011

### *Betulaceae Betula alleghaniensis* ~ - ()

TreeTeam\_FGAC02 - Approximately 15 meters down-hill from Appalachian Trail near Indian Gap  
6/28/2011

TreeTeam\_FGAC03 - Approximately 15 meters down-hill from Appalachian Trail near Indian Gap  
6/28/2011

TreeTeam\_FGAC04 - Approximately 15 meters down-hill from Appalachian Trail near Indian Gap  
6/28/2011

TreeTeam\_FGAC06 - Approximately 15 meters down-hill from Appalachian Trail near Indian Gap  
6/28/2011

TreeTeam\_FGCC07 - Approximately 16 meters down-hill from the Northern Flat Creek Trail.

## Method - Taxa - Sampling Site Code and Site Description - Sampling Dates

7/7/2011

### *Fagaceae Fagus grandifolia ~ - (American beech)*

TreeTeam\_FGAE01 - Approximately 15 meters down-hill from Appalachian Trail near Indian Gap  
6/28/2011

TreeTeam\_FGAE02 - Approximately 15 meters down-hill from Appalachian Trail near Indian Gap  
6/28/2011

TreeTeam\_FGAE03 - Approximately 15 meters down-hill from Appalachian Trail near Indian Gap  
6/28/2011

TreeTeam\_FGAE04 - Approximately 15 meters down-hill from Appalachian Trail near Indian Gap  
6/28/2011

TreeTeam\_FGAE05 - Approximately 15 meters down-hill from Appalachian Trail near Indian Gap  
6/28/2011

TreeTeam\_FGAE06 - Approximately 15 meters down-hill from Appalachian Trail near Indian Gap  
6/28/2011

TreeTeam\_FGAE07 - Approximately 15 meters down-hill from Appalachian Trail near Indian Gap  
6/28/2011

TreeTeam\_FGAE08 - Approximately 15 meters down-hill from Appalachian Trail near Indian Gap  
6/28/2011

TreeTeam\_FGBE01 - Approximately 15 meters up-hill from the Southern Flat Creek Trail  
6/30/2011

TreeTeam\_FGBE02 - Approximately 15 meters up-hill from the Southern Flat Creek Trail  
6/30/2011

TreeTeam\_FGBE03 - Approximately 15 meters up-hill from the Southern Flat Creek Trail  
6/30/2011

TreeTeam\_FGBE04 - Approximately 15 meters up-hill from the Southern Flat Creek Trail  
6/30/2011

TreeTeam\_FGBE05 - Approximately 15 meters up-hill from the Southern Flat Creek Trail  
6/30/2011

TreeTeam\_FGBE06 - Approximately 15 meters up-hill from the Southern Flat Creek Trail  
6/30/2011

TreeTeam\_FGBE07 - Approximately 15 meters up-hill from the Southern Flat Creek Trail  
6/30/2011

TreeTeam\_FGBE08 - Approximately 15 meters up-hill from the Southern Flat Creek Trail  
6/30/2011

TreeTeam\_FGCE01 - Approximately 16 meters down-hill from the Northern Flat Creek Trail.  
7/7/2011

TreeTeam\_FGCE02 - Approximately 16 meters down-hill from the Northern Flat Creek Trail.  
7/7/2011

TreeTeam\_FGCE03 - Approximately 16 meters down-hill from the Northern Flat Creek Trail.  
7/7/2011

TreeTeam\_FGCE04 - Approximately 16 meters down-hill from the Northern Flat Creek Trail.  
7/7/2011

TreeTeam\_FGCE05 - Approximately 16 meters down-hill from the Northern Flat Creek Trail.  
7/7/2011

TreeTeam\_FGCE06 - Approximately 16 meters down-hill from the Northern Flat Creek Trail.  
7/7/2011

TreeTeam\_FGCE07 - Approximately 16 meters down-hill from the Northern Flat Creek Trail.  
7/7/2011

Method - Taxa - Sampling Site Code and Site Description - Sampling Dates

TreeTeam\_FGCE08 - Approximately 16 meters down-hill from the Northern Flat Creek Trail.  
7/7/2011

*Fagaceae Quercus prinus ~ - ()*

TreeTeam\_FGCC08 - Approximately 16 meters down-hill from the Northern Flat Creek Trail.  
7/7/2011

*Pinaceae Abies fraseri ~ - (Fraser fir)*

TreeTeam\_FGAC05 - Approximately 15 meters down-hill from Appalachian Trail near Indian Gap  
6/28/2011

*Pinaceae Picea rubens ~ - (Red spruce)*

TreeTeam\_FGAC01 - Approximately 15 meters down-hill from Appalachian Trail near Indian Gap  
6/28/2011

TreeTeam\_FGAC07 - Approximately 15 meters down-hill from Appalachian Trail near Indian Gap  
6/28/2011

TreeTeam\_FGAC08 - Approximately 15 meters down-hill from Appalachian Trail near Indian Gap  
6/28/2011

[tree collar](#)

*Phalangiidae Odiellus pictus ~ - (Harvestman)*

TreeTeam\_FGAC06 - Approximately 15 meters down-hill from Appalachian Trail near Indian Gap  
7/22/2011

TreeTeam\_FGAC08 - Approximately 15 meters down-hill from Appalachian Trail near Indian Gap  
7/22/2011

TreeTeam\_FGBC03 - Approximately 15 meters up-hill from the Southern Flat Creek Trail  
7/22/2011

TreeTeam\_FGBE08 - Approximately 15 meters up-hill from the Southern Flat Creek Trail  
7/22/2011

TreeTeam\_FGCC03 - Approximately 16 meters down-hill from the Northern Flat Creek Trail.  
8/13/2011

*Sabaconidae Sabacon cavicolens ~ - (Harvestman)*

TreeTeam\_FGAC07 - Approximately 15 meters down-hill from Appalachian Trail near Indian Gap  
7/22/2011

[unspecified](#)

*Phalangiidae Odiellus pictus ~ - (Harvestman)*

TreeTeam\_EFCC09 - Approximately 16 meters down-hill from the Northern Flat Creek Trail.  
8/13/2011

TreeTeam\_FGCC05 - Approximately 16 meters down-hill from the Northern Flat Creek Trail.  
10/24/2011
