

# PROJECT: ATBI Reptiles

## Reptile Species Site Count for Historic Sites

| Family             | Genus        | Epithet + Subspecies (Common Name)                          | Site Count |
|--------------------|--------------|---|------------|
| <b>Chelydridae</b> |              |   |            |
|                    | Chelydra     | serpentina (Snapping Turtle)                                | 13         |
| <b>Colubridae</b>  |              |   |            |
|                    | Carphophis   | amoenus amoenus (Worm snake)                                | 48         |
|                    | Coluber      | constrictor constrictor (Northern black racer)              | 120        |
|                    | Diadophis    | punctatus edwardsii (Southern Ringneck Snake)               | 89         |
|                    | Elaphe       | guttata guttata (Cornsake)                                  | 7          |
|                    |              | obsoleta obsoleta (Black rat snake)                         | 47         |
|                    | Heterodon    | platyrhinos (Eastern Hognose Snake)                         | 4          |
|                    | Lampropeltis | calligaster rhombomaculata (Mole kingsnake)                 | 1          |
|                    |              | getula nigra (Black Kingsnake)                              | 11         |
|                    |              | triangulum triangulum (Eastern Milksnake)                   | 35         |
|                    | Nerodia      | sipedon sipedon (Northern Water Snake)                      | 54         |
|                    | Opheodrys    | aestivus (Rough Green Snake)                                | 7          |
|                    | Regina       | septemvittata (Queen snake)                                 | 4          |
|                    | Storeria     | dekayi dekayi/wrightorum (Northern/Midland Brown Snake)     | 42         |
|                    |              | occipitomaculata occipitomaculata (Northern Redbelly Snake) | 16         |
|                    | Thamnophis   | sirtalis sirtalis (Eastern Garter Snake)                    | 61         |
|                    | Virginia     | valeriae valeriae (Eastern Smooth Earth Snake)              | 7          |
| <b>Emydidae</b>    |              |   |            |
|                    | Chrysemys    | picta marginata (Midland painted turtle)                    | 5          |
|                    | Graptemys    | geographica (Common Map Turtle)                             | 10         |
|                    | Terrapene    | carolina carolina (Eastern Box Turtle)                      | 40         |

(Where "Species" appears, it means that this has not yet been identified.)

| Family                 | Genus         | Epithet + Subspecies (Common Name)             | Site Count |
|------------------------|---------------|--|------------|
| <b>Kinosternidae</b>   | Trachemys     | scripta troostii (Cumberland Slider Turtle)    | 2          |
|                        | Sternotherus  | minor peltifer (Stripeneck Musk Turtle)        | 6          |
| <b>Phrynosomatidae</b> |               | odoratus (Common Musk Turtle)                  | 3          |
|                        | Sceloporus    | undulatus undulatus (Eastern Fence Lizard)     | 16         |
| <b>Polychrotidae</b>   |               |  |            |
| <b>Scincidae</b>       | Anolis        | carolinensis (Green Anole)                     | 11         |
|                        | Eumeces       | fasciatus (Five-lined Skink)                   | 35         |
|                        |               | inexpectatus (Southeastern Five-lined skink)   | 2          |
|                        |               | laticeps (Broadhead skink)                     | 10         |
|                        |               | species (Skink)                                | 1          |
|                        | Scincella     | lateralis (Ground Skink)                       | 31         |
| <b>Teiidae</b>         |               |  |            |
|                        | Cnemidophorus | sexlineatus sexlineatus (Six-lined Racerunner) | 6          |
| <b>Trionychidae</b>    |               |  |            |
|                        | Apalone       | spinifera spinifera (Spiny Softshell Turtle)   | 10         |
| <b>Viperidae</b>       |               |  |            |
|                        | Agkistrodon   | contortrix mokasen (Copperhead)                | 143        |
|                        | Crotalus      | horridus (Timber Rattlesnake)                  | 33         |
